Here are a few of the 4-H Events that are always entertaining and interesting at MontanaFair:

4-H Stick Horse Rodeo
Saturday, August 8th, 2pm, Arena Exhibit Hall

Let the kids get into some rodeo action…stick horse rodeo that is! Kids 2-8 are invited to take part in the 4-H stick horse rodeo. Kids can come and build their own stick horse or they can bring their favorite from home.

4-H Costumed Animal Parade
Wednesday, August 12th, 7pm, Expo Center

See 3 categories of animals: Small includes animals such as rabbits, chickens, dogs, cats, cavies, and pocket pets; Medium includes animals like pigs, sheep and goats; the Large category includes animals like beef and dairy cows, llamas and horses. See these animals in their creative costumes—some that even match their exhibitor's costumes! The 4-H kids showing the animals will come up with a fun narrative to go along with their animal presentation. They can win in the categories of most creative, most comical, and overall judges' choice.

d) Unlimited Bow – any bow with sights, release or scope

4-H Junior Livestock Sale
Saturday, August 15th, 12:30pm, Expo Center

It's the grand celebration capping off a yearlong effort by 4-H Junior Livestock Exhibitors. On Saturday, August 15th at 12:30pm 4-H students will sell their animals at auction. Livestock has never looked so good as it does during the Junior Livestock Sale. You'll see cows, sheep, and other animals glittered up and looking their best for the big day. 4-Hers earn money from the sale and many save it for college or for building their own herd one day. It's an event that truly touches on the tradition of the fair and helps bring the weeklong celebration to an end. The Exhibitor and Buyer lunch begins at 11:45am.
