# The Blond Curly Haired Magician

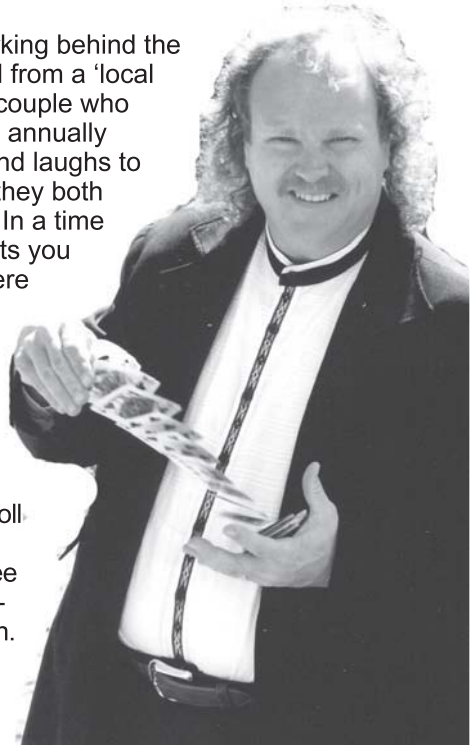
The Blond Curly Haired Magician, Jeff Martin, comes to MontanaFair August 9th-15th.

The Blond Curly Haired Magician will be strolling the grounds at MontanaFair. He will make people of all ages smile, laugh, and marvel at the wonders of comedy magic with all of its production, misdirection, bunnies, card tricks and antics.

At the Tender age of eight, a magician by the name of Chuck Jones, the Magic Man, performed at Jeff's school. The following Christmas a 'magic kit' was found under his Christmas tree and the "die was cast", as Jeff Martin had discovered his passion. He studied at a brisk pace at his local public library, reading every magic book he could get his hands on from cover to cover and then he would come home and try out his new-found knowledge on his family.

As a teen, he would sometimes perform at local community events and private birthday parties, honing his craft. As he matured, he made the decision to become a full-time professional magician. Today, twenty-five plus years later, he's one of the only about two thousand 'full-time' professional magicians.

With his wife, Pam at his side and working behind the scenes, the "team Martin" has evolved from a 'local magician in Southern California', to a couple who now spend the better part of 6 months annually traveling the Nation, bringing smiles and laughs to many hearts. "That's why we do it!!", they both say. "We love to make people laugh! In a time of turmoil and uncertainty, our show lets you step-away from all of the "stuff" out there and just remember what it's like to be a family and be together doing something fun, like going to a fair and sharing some cotton candy and seeing some magic; that's what it's all about!"



The Blond Curly Haired Magician will stroll the grounds at MontanaFair August 9th-5th from 4:00-8:00 PM daily. You can see Jeff Martin, the Blond Curly Haired Magician for free with your fair gate admission. Admission prices are $8 for adults, $5 for adults 65+ and for kids ages 6-12 and free for kids 5 and younger.
