Milking Exhibit

Learn all about milking a cow at MontanaFair August 14th&15th

The mobile milking classroom comes to MontanaFair. This fun and educational exhibit will teach kids and adults alike all about milking a cow. The exhibit even features a real live cow!

A trained instructor will demonstrate how to milk a cow, describe how milk goes from the farm to the consumer, and then answer questions from the audience. This is an innovative program that brings the dairy experience directly to fairgoers.

Learn about the characteristics and anatomy of dairy cows, the importance of dairy foods for good health, the modern milking process and modern environmental and food safety practices at this fun and entertaining exhibit.

The mobile milking classroom will be located in Montana Park with performances at 2pm, 4pm, 6pm, and 8pm daily August 14th&15th.
