Thomas Carnival Knitters

The Thomas Carnival Knitting Club will be donating preemie stocking hats to Billings Clinic.

The Itty Bitty Knitting Committee, the Thomas Carnival knitting club, currently boasts fourteen members. The Committee, formed in May under the leadership of Margaret Atkins, has members working on dishcloths, cozies, cat rugs, and scarves as a few of its projects. The Committee meets as work allows, but at least once a week. A trip to the local yarn shop in Sioux Falls, SD and Bismarck, ND inspired members to start afghans, hats, and baby blankets. The group plans to knit preemie stocking hats which will be donated to hospitals on the route, as one of its projects to promote "Peace, Love, and uKnity."

The Heritage Arts Department at MontanaFair will also feature a display of the Itty Bitty Knitty Committee's projects throughout the week.
